What knowledge, experience and qualities do you have that are relevant to this role?

**Do you have any qualifications relevant to the role? If so, what are they and why do you feel they are relevant?**

**Medical information**

Do you suffer or have you ever suffered from any medical condition that could affect your ability to work with children and young people?

If the answer is “Yes”, please give details in a sealed envelope marked with your name and the title of the volunteer role you are applying for. Attach this to your completed application form. The envelope will not be opened unless you are provisionally offered a role after the interview. Answering “Yes” will not necessarily stop you from being considered for this role.
